

Consumption

Salt pork is a famous old-fashioned remedy for consumption. "Eat plenty of pork," was the advice to the consumptive 50 and 100 years ago.

Salt pork is good if a man can stomach it. The idea behind it is that fat is the food the consumptive needs most.

Scott's Emulsion is the modern method of feeding fat to the consumptive. Pork is too rough for sensitive stomachs. Scott's Emulsion is the most refined of fats, especially prepared for easy digestion.

Feeding him fat in this way, which is often the only way, is half the battle, but Scott's Emulsion does more than that. There is something about the combination of cod liver oil and hypophosphites in Scott's Emulsion that puts new life into the weak parts and has a special action on the diseased lungs.

A sample will be sent free upon request. Be sure that this picture is in the wrapper of every bottle of Emulsion you buy.

The Rain Tree.

A recent study of the so-called rain-tree of the tropics shows that it closes its leaves at sunset, permitting dew to form on the ground beneath. At sunrise the leaves again expand, preventing excessive evaporation, and in the shade of the tree grass grows more rapidly than in the open.

Ancient Elm Tree.

There is an elm tree in the department of Ardeche, France, which is vigorous and flourishing, though it has attained the patriarchal age of 793 years. According to official documents, it was planted on the grave of a nobleman in the reign of King Philip II., about 1202.

A Mother's Recommendation.

I have used Chamberlain's Cough Remedy for a number of years and have no hesitation in saying that it is the best remedy for coughs, colds and croup I have ever used in my family. I have not words to express my confidence in this remedy.—Mrs. J. A. Moore, North Star, Mich. For sale by Bowers & Comstock.
